

Pre-Paid Punch Card Order Form

Pre-paid punch cards are available for families who plan to use Extended Day on an occasional basis. In order to utilize this option, families MUST purchase a punch card before signing their child up for Extended Day. Please enclose payment for the first card (check made payable to Trinity Church Day School or cash).

Terms:

- A child must be signed up at least 24 hours in advance of when Extended Day services are needed.
- Reservations may be cancelled before 9 am on the day of service at no cost; however, any reservations cancelled after 9 am on the day of service will still be charged.
- If an emergency occurs and your child must stay in Extended Day last minute, including days when a caregiver is running more than 5 minutes late at pick up, the family will be billed by the half hour (\$5) until the child can be picked up. If last-minute reservations occur regularly, an additional fee may be assessed based on the situation.
- When 5 hours remain on the pre-paid punch card, an invoice will be sent home to purchase another card. A child may not stay in Extended Day if there is no time left on the card.
- The cost of all unused hours remaining at the end of the year will be reimbursed to the family before June 30.
- <u>Please note:</u> Due to limited availability, Morning Care is often not open for occasional use. The school population will be notified in Friday Updates if Morning Care is closed for occasional use.
